

221-23/1

Rolled hem

 MAIER

Achieve perfect rolled hems with ease

Whether scarves, neckerchiefs, handkerchiefs, nightwear, blouses or underwear - our rolled hemming machine MAIER 221-23/1 enables precise, high-quality and fashionable rolled hems on a wide range of fabrics!

The charm of a hand-stitched look - without the hassle! Only the corners will need to be sewn by hand.

Our folders are available for a range of fabric thicknesses to ensure accurate rolled hems. Simply send us your seam samples and sample material and we will be happy to determine the right folder for you.

And the integrated interval device (1:1/1:2) gives you additional flexibility for your sewing work.

-46

Options and accessories

Top equipment makes the Class 221-23/1 the ideal solution for all roll hemming applications.

Mounting kit for motor -46

Simple installation, compact design - the mounting kit for EFKA and Ho-Hsing motors.

-D

Digital stitch depth indicator -D

More efficient, accurate and simple - no more guessing stitch depth. The digital stitch depth display gives you precise control of your stitch depth. Reproducible settings and stepless adjustment.

Thread trimmer -12

Fast, safe and easy - the thread trimmer offers a high level of operating convenience and an impressive rationalization effect. Save valuable time with every seam.

-12

Presserfoot lift -PFL/P

Making work easier! The pneumatic presser foot lift makes sewing much easier. Simply press the foot pedal and the presser foot lowers. You can concentrate fully on your sewing work.

Sewing light -LED

Our high-quality LED sewing light provides bright, even light directly above your sewing area. No more tedious squinting or shadow play -
